

To The Rector of YSMU

Professor Armen Muradyan

I am writing to express my heartfelt gratitude for the exceptional education and experiences I have received at Yerevan State Medical University, an institution that holds a special place in my heart as a second-generation graduate. As the child of alumni, I grew up hearing stories of the transformative impact YSMU had on my dad's life and career. These stories fueled my aspirations and instilled in me a deep appreciation for the institution's commitment to excellence in medical education.

The rigorous curriculum, combined with the guidance and mentorship of esteemed faculty members, has equipped me with a solid foundation in medical science that helped me pass the Board Exam in the United States.

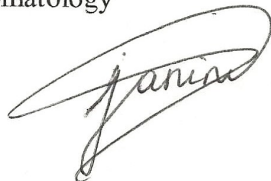

As I embark on the next phase of my journey in dentistry, I carry with me the invaluable lessons and experiences gained from Yerevan State Medical University. I am confident that the solid foundation laid here will empower me to make meaningful contributions to the field of healthcare and positively impact the lives of countless individuals.

Once again, thank you for providing me with the knowledge, skills, and experiences that have helped me during different stages of my life. I am proud to be an alumna of Yerevan State Medical University, and I look forward to representing the institution with integrity, compassion, and excellence.

With sincere appreciation,

**Dr. Janin H. Siradarian**

Doctor of Stomatology

A handwritten signature in black ink, appearing to read 'Janin', with a large, sweeping flourish above the name.
