Dear Director,

On behalf of the ETF, I wish to express our gratitude to the College of Yerevan State Medical University after Mkhitar Heratsi (YSMU) for hosting the second day of the peer visit of the ETF Forum for Quality Assurance in Vocational Education and Training to Yerevan.

I would like to thank you personally for your and your colleagues' availability to welcome and open the institution to the forum members, and for arranging the meeting with the policy-makers, external assessment experts and employers. The discussion on the strengths and the challenges of the Armenian experience created a precious opportunity of learning for all the participants of the ETF Forum.

More details and photos of the peer visit are available on [ETF OpenSpace](#).

Thank you again for all your support and we look forward to continuing our co-operation.

Yours sincerely,

Hugues Moussy
Head of Systems Performance and Assessment Unit
