

Gen.Medicine 1-2

ՕՐԸ	ԺԱՄԸ	Gen.Medicine 1-2						
		11410	11411	11412	11413	11414	11415	11416
I	9:30-10:50	Medical chemistry-2	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Medical physics	Latin	Clinical Anatomy	Human Anatomy	Academic English
		Medical chemistry-2		Medical physics	Latin	Clinical Anatomy	Clinical Anatomy	Academic English
	11:10-12:30	Human Anatomy	Medical chemistry-2	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Clinical Anatomy	Medical Biology	Medical chemistry-2	Medical chemistry-2
		Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Medical chemistry-2	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Clinical Anatomy	Medical Biology	Medical chemistry-2	Medical chemistry-2
	12:50-14:10	Flow Cytology and General Histology, Embryology with Molecular Biology, Histology 4 room, Medical chemistry-2 4 room, Medical physics 8room, Medical Biophysics with Molecular Biology 8 room						
		Flow Cytology and General Histology, Embryology with Molecular Biology, Histology 4 room, Medical chemistry-2 4 room, Medical physics 8room, Medical Biophysics with Molecular Biology 8 room						
	14:30-15:50		Medical Biology	Physical training	Academic Armenian	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Academic English	Medical Biophysics with Molecular Biology
		Medical Biology	Physical training	Academic Armenian		Academic English	Medical Biophysics with Molecular Biology	
16:10-17:30								
II	9:30-10:50		Physical training			Human Anatomy	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	
			Physical training	Clinical Anatomy	Human Anatomy	Human Anatomy	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	History of Armenian Civilization, History of Medicine in Armenia
	11:10-12:30	Physical training	Clinical Anatomy	Medical Biology	Medical physics	Academic English	Academic Armenian	Medical physics
		Physical training	Clinical Anatomy	Medical Biology	Medical physics	Academic English	Academic Armenian	Medical physics
	12:50-14:10	Human Anatomy	Academic Armenian	Medical chemistry-2	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Academic Armenian	Medical Biology	Clinical Anatomy
		Human Anatomy	Academic Armenian	Medical chemistry-2	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Academic Armenian	Medical Biology	Clinical Anatomy
	14:30-15:50	Medical physics	Medical physics	Academic Armenian	Medical Biology	Medical Biophysics with Molecular Biology	Medical Biophysics with Molecular Biology	
Medical physics		Medical physics	Academic Armenian	Medical Biology	Medical Biophysics with Molecular Biology	Medical Biophysics with Molecular Biology		
16:10-17:30								
III	9:30-10:50	Academic Armenian	Latin	Human Anatomy	Physical training	Human Anatomy	Medical Biology	Human Anatomy
		Academic Armenian	Latin	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Physical training		Medical Biology	Human Anatomy
	11:10-12:30	Clinical Anatomy	Human Anatomy	Latin	Medical chemistry-2	Medical chemistry-2	Physical training	Academic Armenian
		Clinical Anatomy	Human Anatomy	Latin	Medical chemistry-2	Medical chemistry-2	Physical training	Academic Armenian
	12:50-14:10	Flow Medical Biology 8 room, Human Anatomy 1 room, Clinical Anatomy 4 room, Radiology 4 room						
		Flow Medical Biology 8 room, Human Anatomy 1 room, Clinical Anatomy 4 room, Radiology 4 room						
	14:30-15:50	Medical Biophysics with Molecular Biology	Medical Biology	History of Armenian Civilization, History of Medicine in Armenia	History of Armenian Civilization, History of Medicine in Armenia	Medical physics		Medical Biology
Medical Biophysics with Molecular Biology		Medical Biology			Medical physics	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Medical Biology	
16:10-17:30								
IV	9:30-10:50	History of Armenian Civilization, History of Medicine in Armenia		Medical Biophysics with Molecular Biology	Academic English	Latin	Clinical Anatomy	
		Clinical Anatomy		Medical Biophysics with Molecular Biology	Academic English	Latin		
	11:10-12:30	Medical Biology	Medical physics	Academic Armenian	Medical Biology	History of Armenian Civilization, History of Medicine in Armenia		Cytology and General Histology, Embryology with Molecular Biolov. Histolov.
		Medical Biology	Medical physics	Academic Armenian	Medical Biology	Clinical Anatomy	History of Armenian Civilization, History of Medicine in Armenia	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.
	12:50-14:10	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.		Human Anatomy	Medical physics	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Human Anatomy	Physical training
		Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	History of Armenian Civilization, History of Medicine in Armenia	Human Anatomy	Medical physics	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Human Anatomy	Physical training
	14:30-15:50	Latin	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.		Academic Armenian	Physical training	Medical physics	Academic Armenian
Latin		Cytology and General Histology, Embryology with Molecular Biolov. Histolov.		Academic Armenian	Physical training	Medical physics	Academic Armenian	
16:10-17:30		Academic Armenian						
V	9:30-10:50	Academic English	Human Anatomy	Medical physics	Human Anatomy	Medical physics	Clinical Anatomy	Medical physics
		Academic English	Clinical Anatomy	Medical physics	Human Anatomy	Medical physics	Clinical Anatomy	Medical physics
	11:10-12:30	Academic Armenian	Academic English	Medical Biology	Clinical Anatomy	Medical Biology	Latin	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.
		Academic Armenian	Academic English	Medical Biology	Cytology and General Histology, Embryology with Molecular Biolov. Histolov.	Medical Biology	Latin	Human Anatomy
	12:50-14:10	Medical Biology	Medical Biophysics with Molecular Biology	Clinical Anatomy	Medical Biophysics with Molecular Biology	Academic Armenian	Academic Armenian	Latin
		Medical Biology	Medical Biophysics with Molecular Biology	Clinical Anatomy	Medical Biophysics with Molecular Biology	Academic Armenian	Academic Armenian	Latin
	14:30-15:50	Medical physics		Academic English			Medical physics	Medical Biology
Medical physics			Academic English			Medical physics	Medical Biology	
16:10-17:30
