

ՕՐԸ	Ժամը	Gen.Med.2 course 1						
		21401	21402	21403	21404	21405	21406	21407
I	9:30-10:50	Human Anatomy		Armenian language	Histology			Human Anatomy
		Human Anatomy		Armenian language	Histology			Human Anatomy
	11:10-12:30	Human physiology	Human Anatomy	Histology	Medical Biochemistry with Molecular Biology.	Armenian language		Human physiology
		Human physiology	Human Anatomy		Medical Biochemistry with Molecular Biology.	Armenian language		Human physiology
	12:50-14:10	Clinical Anatomy	Medical Biochemistry with Molecular Biology.				Histology	Basics of Psychology, Medical Psychology
		Clinical Anatomy	Medical Biochemistry with Molecular Biology.			Histology	Histology	Basics of Psychology, Medical Psychology
	14:30-15:50		Armenian language				Armenian language	
			Armenian language				Armenian language	
II	9:30-10:50	Flow Human physiology 7 room, Radiology 8 room						
		Flow Medical Biochemistry with Molecular Biology. 6 room						
	11:10-12:30	Histology	Histology	Human physiology	Human physiology	Medical Biochemistry with Molecular Biology.	Human Anatomy	Histology
			Histology	Human physiology	Human physiology	Medical Biochemistry with Molecular Biology.	Human Anatomy	Histology
	12:50-14:10	Basics of Psychology, Medical Psychology		Human Anatomy	Basics of Psychology, Medical Psychology	Clinical Anatomy	Medical Biochemistry with Molecular Biology.	Human physiology
		Basics of Psychology, Medical Psychology		Human Anatomy	Basics of Psychology, Medical Psychology	Clinical Anatomy	Medical Biochemistry with Molecular Biology.	Human physiology
	14:30-15:50				Human Anatomy			
					Human Anatomy			
III	9:30-10:50		Human physiology	Medical Biochemistry with Molecular Biology.	Human physiology	Basics of Psychology, Medical Psychology	Human physiology	Clinical Anatomy
			Human physiology	Medical Biochemistry with Molecular Biology.	Human physiology	Basics of Psychology, Medical Psychology	Human physiology	Clinical Anatomy
	11:10-12:30	Practical skills 2: surgical skills	Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology	Armenian language	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Armenian language
		Practical skills 2: surgical skills	Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology	Armenian language	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Armenian language
	12:50-14:10	Flow Histology, Human Anatomy 1 room						
		Flow Clinical Anatomy 1 room						
	14:30-15:50	Medical Biochemistry with Molecular Biology.	Practical skills 2: surgical skills			Human physiology		Histology
		Medical Biochemistry with Molecular Biology.	Practical skills 2: surgical skills			Human physiology		
IV	9:30-10:50	Human physiology	Basics of Psychology, Medical Psychology	Histology	Histology		Basics of Psychology, Medical Psychology	
		Human physiology	Basics of Psychology, Medical Psychology	Histology			Basics of Psychology, Medical Psychology	
	11:10-12:30	Armenian language	Medical Biochemistry with Molecular Biology.	Human physiology	Clinical Anatomy	Practical skills 2: surgical skills	Human physiology	Medical Biochemistry with Molecular Biology.
		Armenian language	Medical Biochemistry with Molecular Biology.	Human physiology	Clinical Anatomy	Practical skills 2: surgical skills	Human physiology	Medical Biochemistry with Molecular Biology.
	12:50-14:10	Medical Biochemistry with Molecular Biology.	Histology	Practical skills 2: surgical skills	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Histology	Basics of Psychology, Medical Psychology
		Medical Biochemistry with Molecular Biology.		Practical skills 2: surgical skills	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology		Basics of Psychology, Medical Psychology
	14:30-15:50						Medical Biochemistry with Molecular Biology.	
							Medical Biochemistry with Molecular Biology.	
V	9:30-10:50	Histology	Human physiology	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Histology	Clinical Anatomy	
		Histology	Human physiology	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Histology	Clinical Anatomy	
	11:10-12:30	Basics of Psychology, Medical Psychology	Clinical Anatomy	Clinical Anatomy		Human Anatomy	Practical skills 2: surgical skills	Practical skills 2: surgical skills
		Basics of Psychology, Medical Psychology	Clinical Anatomy	Clinical Anatomy		Human Anatomy	Practical skills 2: surgical skills	Practical skills 2: surgical skills
	12:50-14:10			Basics of Psychology, Medical Psychology	Practical skills 2: surgical skills	Human physiology		Medical Biochemistry with Molecular Biology.
				Basics of Psychology, Medical Psychology	Practical skills 2: surgical skills	Human physiology		Medical Biochemistry with Molecular Biology.
	14:30-15:50							
	16:10-17:30
