

Երկ	Ժամ	Gen.Med.2course 2					
		21408	21409	21410	21411	21412	21413
I	9:30-10:50	Medical Biochemistry with Molecular Biology.			Human physiology		Practical skills 2: surgical skills
		Medical Biochemistry with Molecular Biology.			Human physiology		Practical skills 2: surgical skills
	11:10-12:30		Medical Biochemistry with Molecular Biology.	Human Anatomy	Basics of Psychology, Medical Psychology		
		Histology	Medical Biochemistry with Molecular Biology.	Human Anatomy	Basics of Psychology, Medical Psychology		
	12:50-14:10	Practical skills 2: surgical skills	Practical skills 2: surgical skills	Human physiology	Armenian language	Human physiology	Histology
		Practical skills 2: surgical skills	Practical skills 2: surgical skills	Human physiology	Armenian language	Human physiology	Histology
	14:30-15:50			Practical skills 2: surgical skills		Histology	Medical Biochemistry with Molecular Biology.
				Practical skills 2: surgical skills			Medical Biochemistry with Molecular Biology.
	16:10-17:30						
II	9:30-10:50	Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology	Medical Biochemistry with Molecular Biology.		Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology
		Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology	Medical Biochemistry with Molecular Biology.		Basics of Psychology, Medical Psychology	Basics of Psychology, Medical Psychology
	11:10-12:30	Armenian language	Human physiology		Practical skills 2: surgical skills	Clinical Anatomy	Clinical Anatomy
		Armenian language	Human physiology	Histology	Practical skills 2: surgical skills	Clinical Anatomy	Clinical Anatomy
	12:50-14:10	Flow Histology, Human Anatomy 1 room					
		Flow Human physiology 7 room					
	14:30-15:50				Histology	Medical Biochemistry with Molecular Biology.	
					Histology	Medical Biochemistry with Molecular Biology.	
	16:10-17:30						
III	9:30-10:50	Basics of Psychology, Medical Psychology	Human Anatomy		Human Anatomy	Practical skills 2: surgical skills	Human physiology
		Basics of Psychology, Medical Psychology	Human Anatomy		Human Anatomy	Practical skills 2: surgical skills	Human physiology
	11:10-12:30	Human physiology	Medical Biochemistry with Molecular Biology.		Clinical Anatomy		
		Human physiology	Medical Biochemistry with Molecular Biology.		Clinical Anatomy		
	12:50-14:10	Human Anatomy	Human physiology	Human physiology	Basics of Psychology, Medical Psychology	Histology	Human Anatomy
		Human Anatomy	Human physiology	Human physiology	Basics of Psychology, Medical Psychology	Histology	Human Anatomy
	14:30-15:50						
				Histology			
	16:10-17:30						
IV	9:30-10:50	Histology				Human Anatomy	
		Histology				Human Anatomy	
	11:10-12:30	Clinical Anatomy	Basics of Psychology, Medical Psychology	Medical Biochemistry with Molecular Biology.	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Human physiology
		Clinical Anatomy	Basics of Psychology, Medical Psychology	Medical Biochemistry with Molecular Biology.	Medical Biochemistry with Molecular Biology.	Basics of Psychology, Medical Psychology	Human physiology
	12:50-14:10	Medical Biochemistry with Molecular Biology.		Clinical Anatomy	Human physiology	Medical Biochemistry with Molecular Biology.	
		Medical Biochemistry with Molecular Biology.	Histology	Clinical Anatomy	Human physiology	Medical Biochemistry with Molecular Biology.	Histology
	14:30-15:50			Basics of Psychology, Medical Psychology	Histology		Medical Biochemistry with Molecular Biology.
				Basics of Psychology, Medical Psychology			Medical Biochemistry with Molecular Biology.
	16:10-17:30						
V	9:30-10:50	Flow Medical Biochemistry with Molecular Biology., Radiology 5 room					
		Flow Clinical Anatomy 1 room					
	11:10-12:30	Human physiology	Histology	Armenian language		Human physiology	Armenian language
		Human physiology	Histology	Armenian language		Human physiology	Armenian language
	12:50-14:10		Armenian language	Histology	Medical Biochemistry with Molecular Biology.	Armenian language	Basics of Psychology, Medical Psychology
			Armenian language	Histology	Medical Biochemistry with Molecular Biology.	Armenian language	Basics of Psychology, Medical Psychology
	14:30-15:50		Clinical Anatomy	Basics of Psychology, Medical Psychology			
			Clinical Anatomy	Basics of Psychology, Medical Psychology			
	16:10-17:30
