

YSMU

Learning resources and student support (Students)

- **Total number of students participated – 130**
 - **Of which with following grades**

When you entered the university which resources did you use for information about professional programs, departments, opportunities, teaching staff, which exist at YMSU.

Answer	excellent	good	satisfactory	Unmentioned	total
"Dimord" application guidelines	71%	43%	9%	60%	43%
from other students studying at YSMU	57%	65%	45%	50%	58%
YSMU teaching staff	43%	22%	18%	10%	22%
from YMSU official web site	14%	11%	-	10%	9%
other mass media	-	16%	45%	-	17%

Do you ever need and use the student support services (i. e. dean office as an advisor, career center, student parliament advisory, official web site, etc.) during your studies at the YSMU?

Answer	excellent	good	satisfactory	Unmen tioned	total
Yes	71	65	64	80	68
No	29	35	36	20	32

If yes, in which below-mentioned situation

Answer	excellent	good	satisfactory	Unmen tioned	total
preparation for examinations and inquiries	71	43	45	40	46
elective choice of subjects	-	5	9	30	9
provision of scholarships and student grants	29	16	45	30	25
participation in international programs	43	35	27	30	34
specialization choice	-	11	18	10	11
while using educational literature and online recourses	29	19	27	60	28
employment	-	3	9	10	5
other	7	5	9	10	8

Are you informed about your rights and responsibilities according to university regulations?

Answer	excellent	good	satisfactory	Unmen tioned	total
Yes	83	62	55	60	63
No	17	38	45	40	37

Do you possess the following information: (5-very well 0-I have no idea about it)

Answer	5	4	3	2	1	0
student assessment regulation	77	15	3	2	2	1
educational programs and their learning outcomes	23	29	29	8	3	8
educational fees and their collection procedure	52	15	9	5	8	11
rules about participation and absence from classes	57	25	8	4	-	6
educational scholarships and student grants awarding process	17	17	19	14	8	25
regulations for the use of library and on-line resources	40	24	19	11	3	3
regulations for the use of educational resources	20	23	24	8	10	15

From what sources have you acquired the above-mentioned information

Answer	excellent	good	satisfactory	Unmen tioned	total
dean office	29	40	36	30	37
teaching staff	57	51	27	40	46
students	71	76	91	90	80
university official site	14	24	9	30	22
other sources	14	11	18	20	14

Do you feel you have definitively decided on your future profession?

Answer	excellent	good	satisfactory	Unmentioned	total
Yes	14	16	18	30	18
No	86	84	82	70	82

Do you feel you have definitively decided on your future profession?

Answer	total
dean office	-
teaching staff	8
parents	16
medical professionals	42
your own independent decision	100

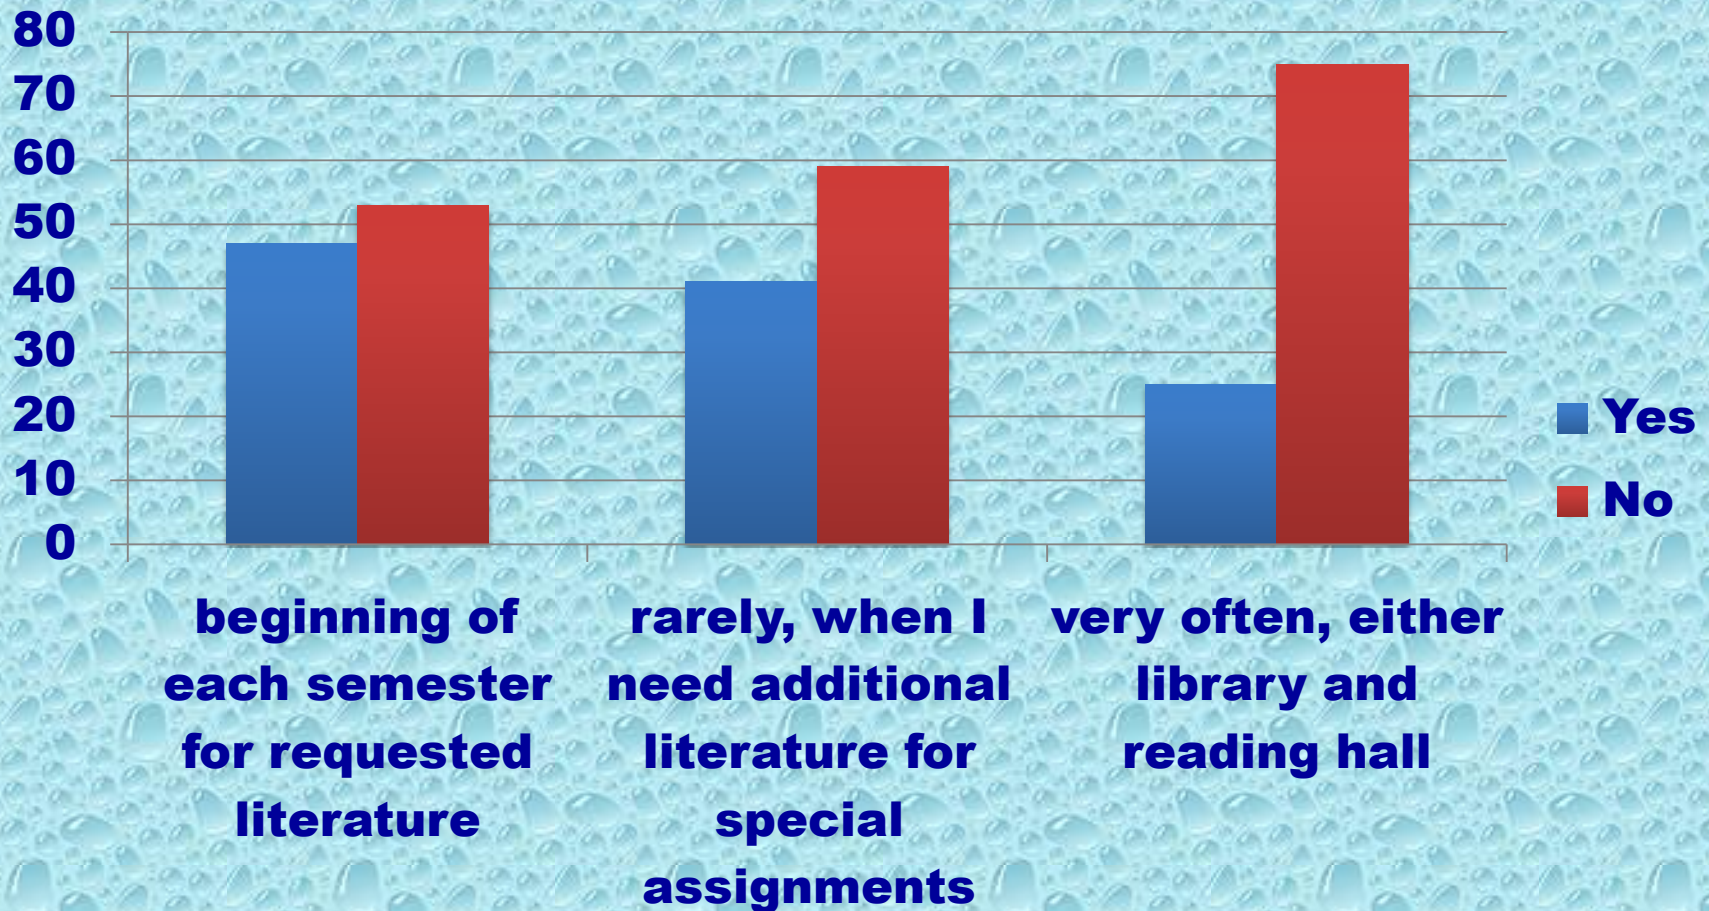

How often do you use library recourses

Answer	excell ent	goo d	satisfact ory	Unme ntion ed	total
beginning of each semester for requested literature	29	22	40	-	27
rarely, when I need additional literature for special assignments	57	53	50	11	47
very often, either library and reading hall	14	15	10	89	26

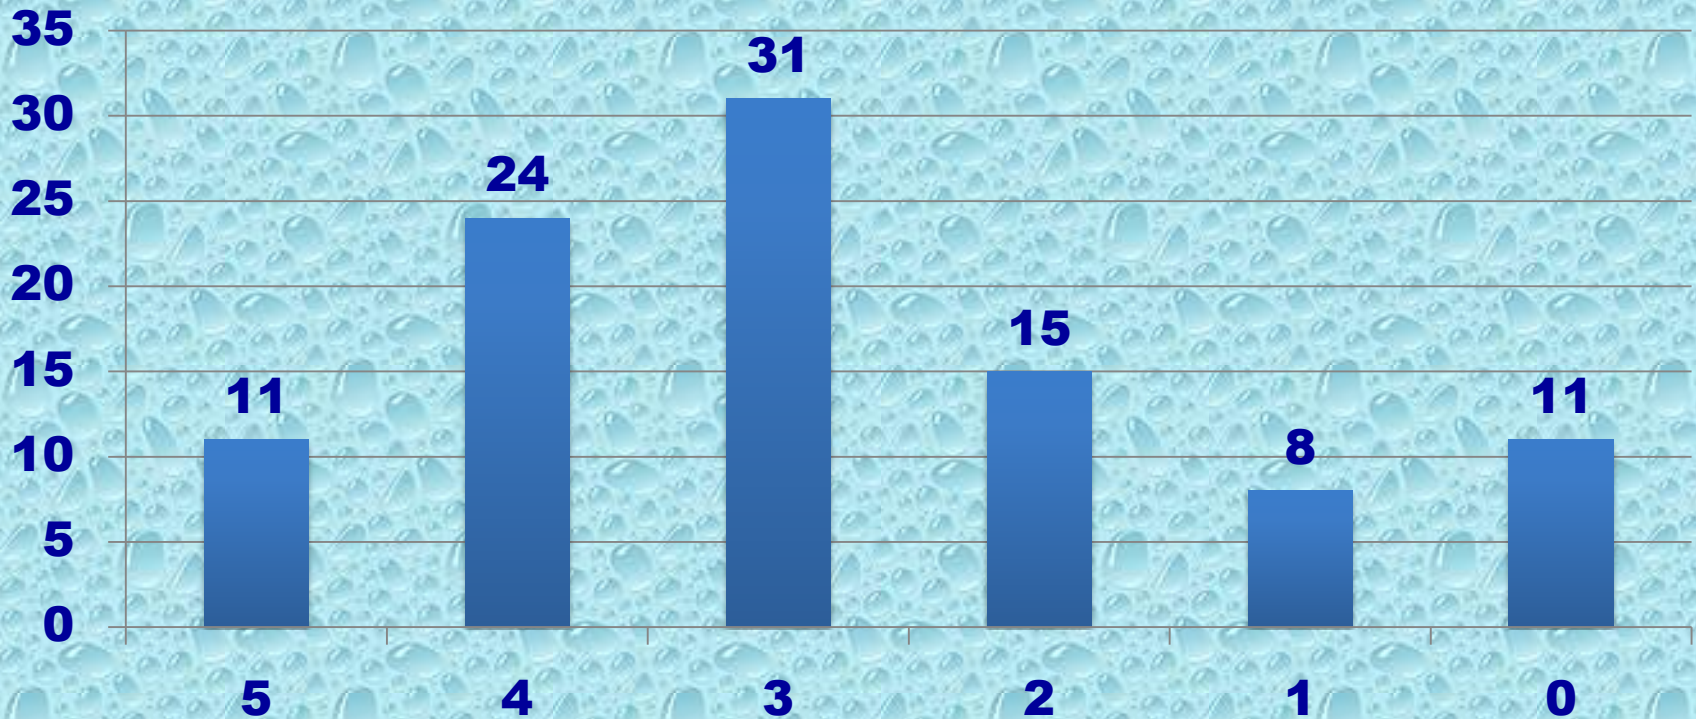

Does the acquired from library literature satisfy your educational and informational requirements

In your opinion (5-agree, 0 – not agree)

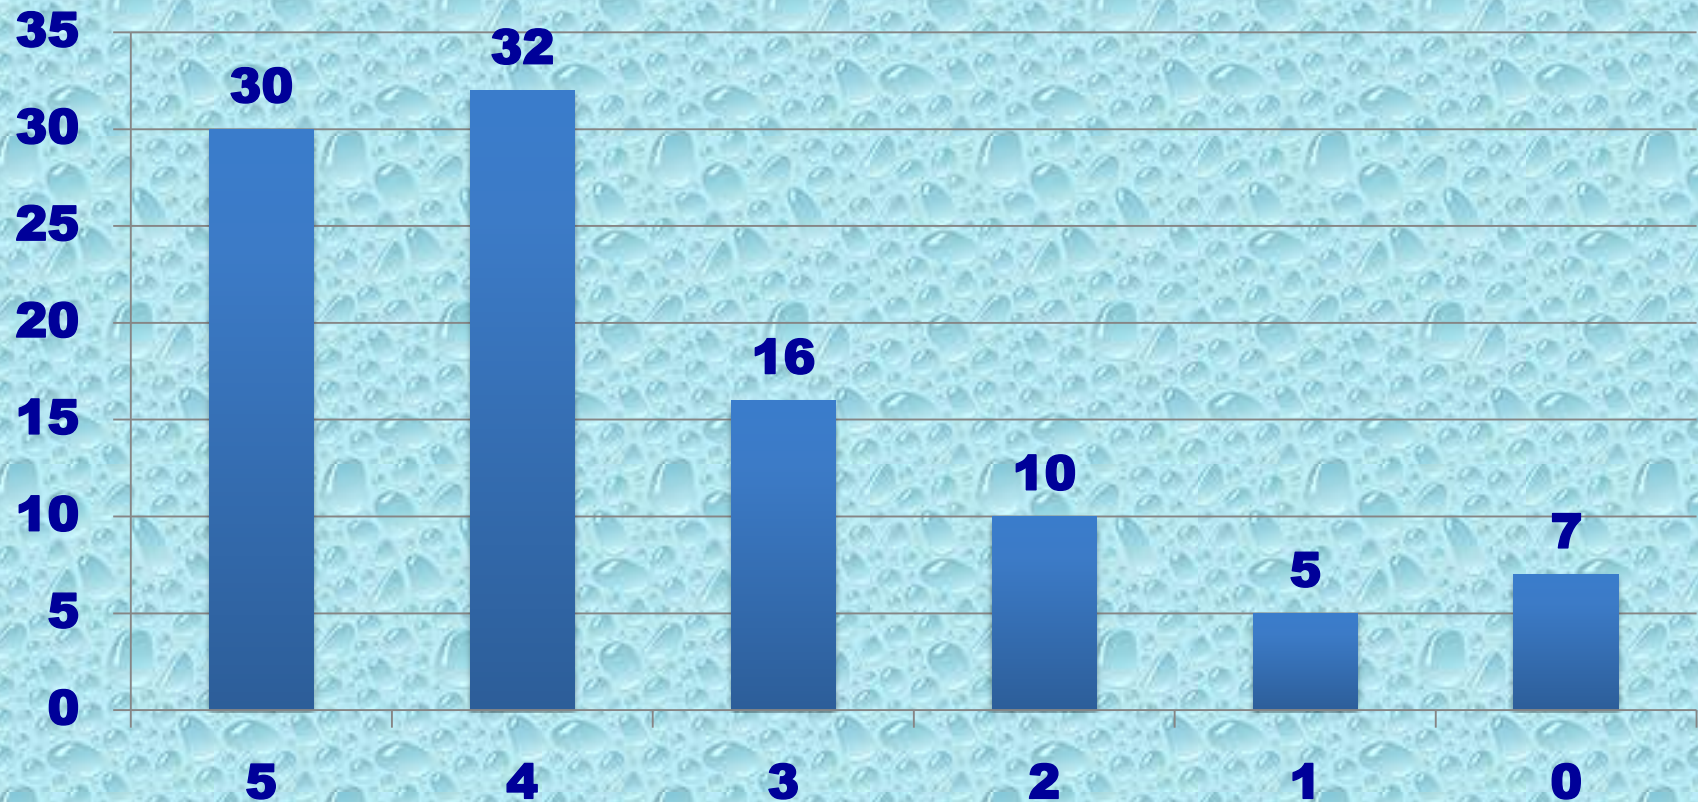

**Existing literature in our library is
contemporary**

In your opinion (5-agree, 0 – not agree)

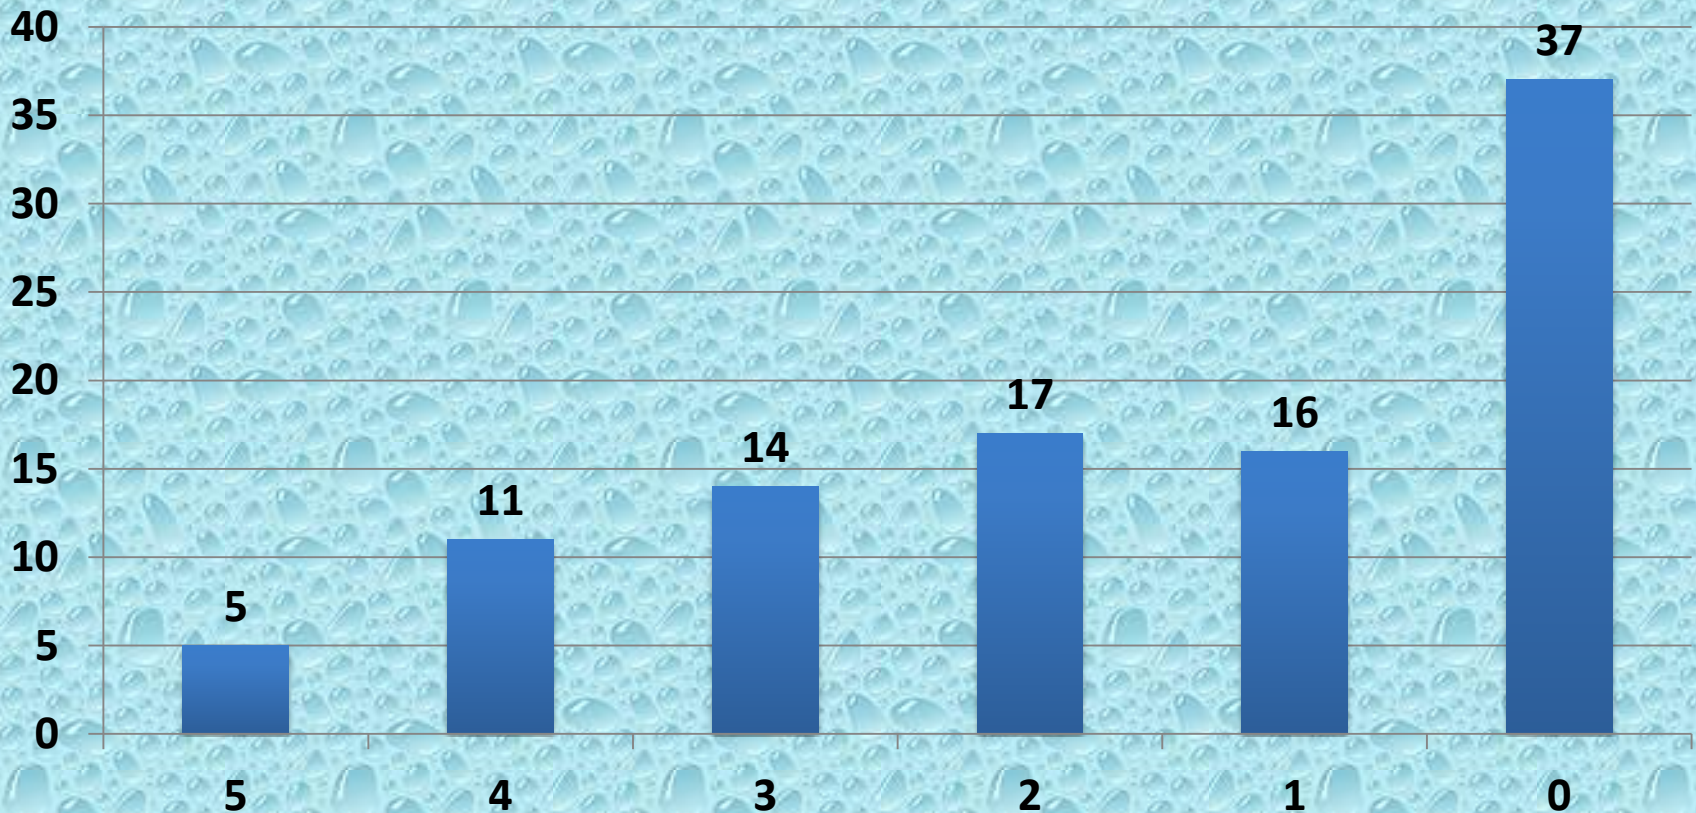

You have easy access to the library

In your opinion (5-agree, 0 – not agree)

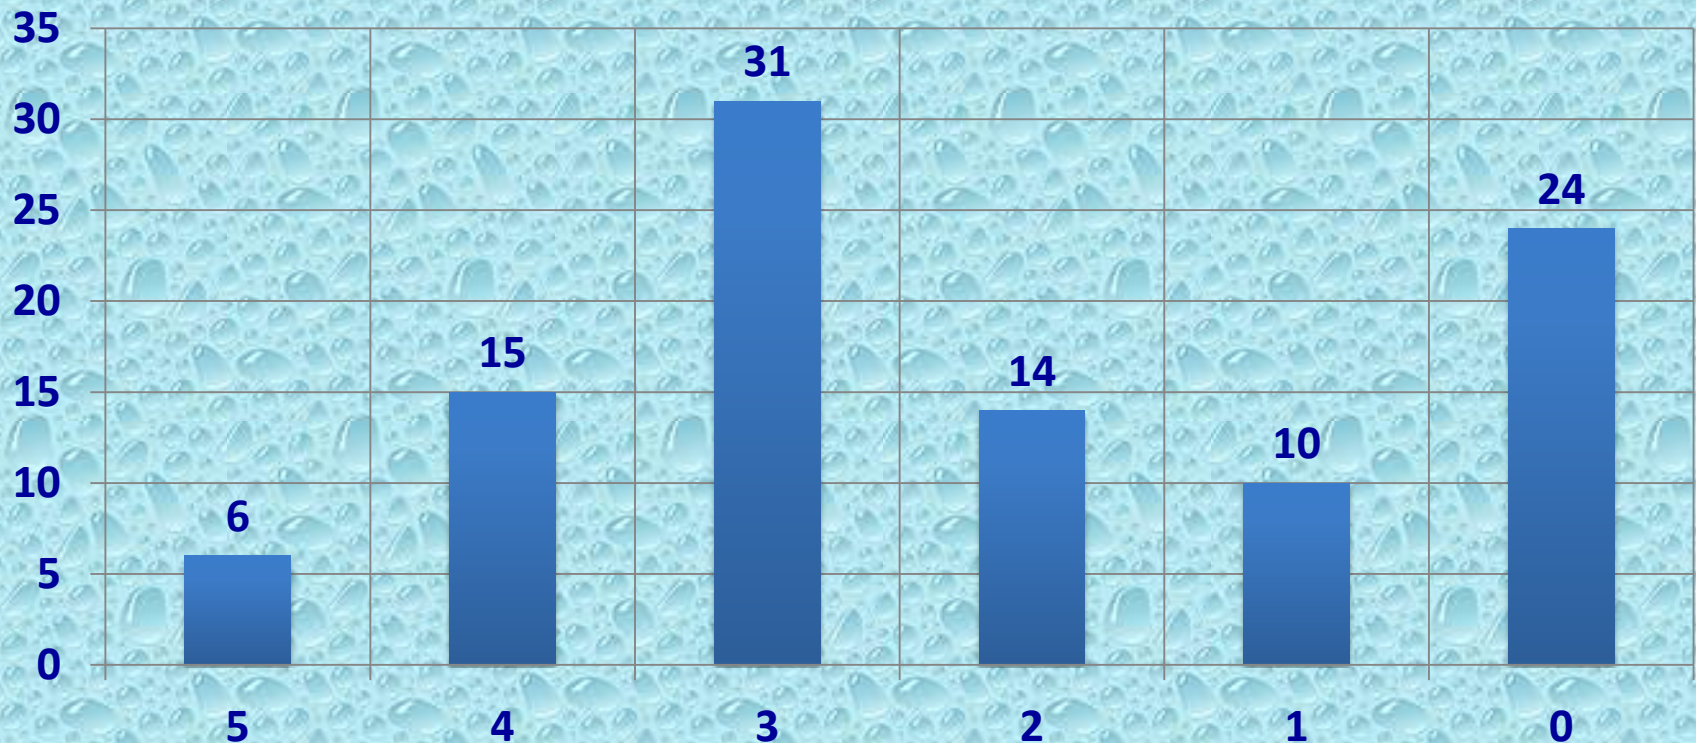

You have access to consultations with librarians

In your opinion (5-agree, 0 – not agree)

You have access to the materials required by your department

In your opinion, which department isn't sufficiently represented in the YSMU library

- **Most popular answer was “all departments”**
- **All departments were mentioned separately with similar frequency**

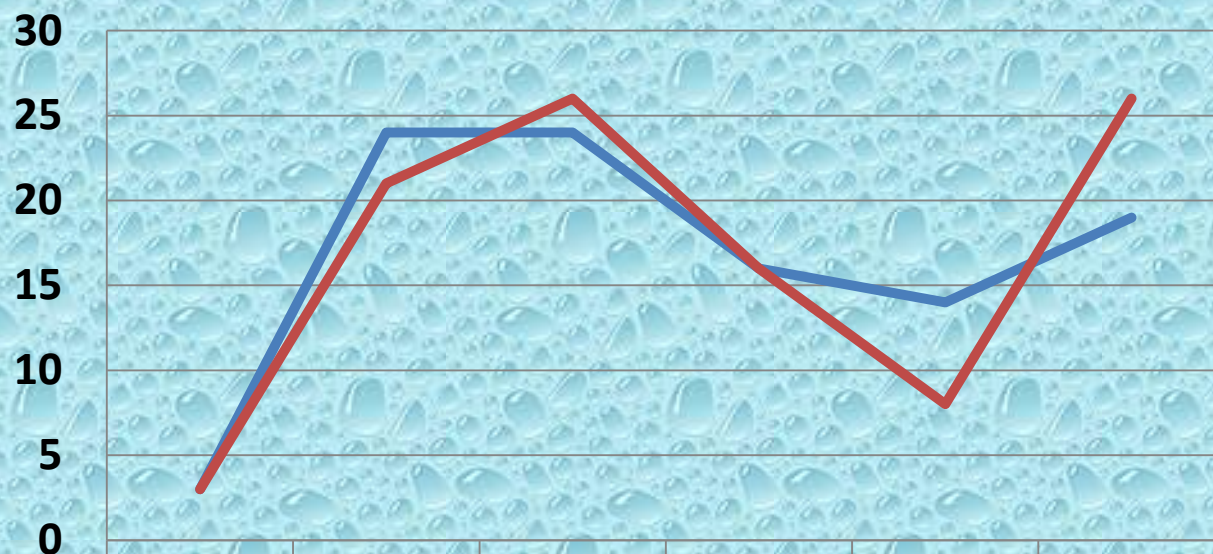

How often do you use on-line recourses?

Answer	excellent	good	satisfactory	Unmen tioned	total
never	-	11	28	21	14
rarely, couple of times pursuing my own interests	14	29	45	16	28
often, when I need to prepare some material	43	40	27	32	37
always	43	20	-	31	21

In your opinion

—online resources are available

—is the information from on-line resources effective

You are satisfied with the practical skills you have acquired during your education in all departments, (5-agree, 0 – not agree)

In all departments, have you been exposed to all technical learning resources (projectors, computer-based resources, and literature-based) and the practical learning resources (simulations, laboratories) during the teaching process?

Answer	excellent	good	satisfactory	Unmen tioned	total
Yes	14	23	27	20	22
No	86	77	73	80	78

If no, please mention the department and resource, which you found to be insufficient

- **For clinical departments the most common answer was “lack of patients and insufficient time allotted for work with theme”.**
- **For theoretical departments most common answers were “laboratories”, “technical resources ”**

If you do not use educational resources (laboratory, library, online, etc.) please describe the reason

Answer	excellent	good	satisfactory	Unmen tioned	total
resources are absent	38	24	25	35	29
resources are outdated and nonfunctional	19	37	17	15	27
the time allotted for the subject is insufficient	25	37	42	30	34
resources were unnecessary based on the nature of the specific subject	12	-	-	10	4
sufficient resources were available, but they were not used	6	2	16	10	6

- **Most common departments for answer “resources are absent ” – Biochemistry, Pharmacology, Anatomy**
- **Most common departments for answer “resources are outdated and nonfunctional ” – Biochemistry, Physiology**
- **Most common departments for answer “the time allotted for the subject is insufficient ” – LOR**

Is in all departments, teaching staff aware of the educational resources and able to explain how to use them? If no, please specify which departments have failed in this matter.

**Most common answers were -
Therapy1, Pharmacology**

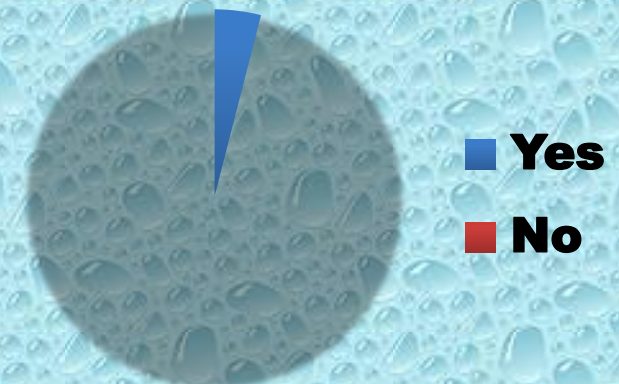

Do you take part in planning of learning resources and how?

Answer	excell ent	goo d	satisfact ory	Unme ntion ed	total
You are not participating in this process	50	72	100	50	71
you make suggestions to appropriate units	17	8	-	13	8
you raise concerns about the way resources are being used or unused	17	14	-	25	14
other	16	6	-	12	7

Practical skills acquired during your education, as you think, will be sufficient to meet the requirements of your future profession?

Answer	excellent	good	satisfactory	Unmen tioned	total
Yes	-	6	-	-	4
No	100	94	100	100	96

What percentage of the material was presented to you with using educational resources?

	80-100%	60-79%	40-59%	20-39%	<20%
On theoretical departments	16	19	9	22	34
On practical departments	15	24	29	15	17

As of this moment, what percentage of your theoretical knowledge, as you think, can you use in your professional practice?

Answer	excellent	good	satisfactory	Unmen tioned	total
80-100%	20	-	-	-	3
60-79%	20	30	37	-	28
40-59%	20	26	13	33	24
20-39%	20	27	37	67	30
<20%	20	17	13	-	15

Which of these fields do you want to improve

Answer	excell ent	good	satisfa ctory	Unmen tioned	tota l
libraries	71	51	64	50	55
online resources	57	51	36	45	48
scientific, research and educational advice	57	43	45	50	46
career advice	57	54	64	10	51

• **Conclusions**

Results of student's survey indicate on necessary for improvement:

- ◆ **guidelines for students in more details**
- ◆ **Replenishment of library literature with
cotemporary sources according to
educational and informational
requirements**

Results of student's survey indicate on necessary for improvement:

- ◆ **student's motivation for learning resources**
- ◆ **Effectiveness of on-line resources**

Results of student's survey indicate on necessary for improvement:

- ◆ **scientific, research and educational advice**
- ◆ **career advice**

Results of student's survey indicate on necessary for improvement:

- ◆ **practical skills as learning process**
- ◆ **Participation of students in planning of learning resources**
